

# TENDA RIMINI

Polukasetna tenda  
Half-cassetted awning

Tenda RIMINI je proizvod predviđen za bašte, terase, funkcionalna kako za stanovanje tako i u ugostiteljstvu. Polukasetna tenda sa Osovina tende je dobro zaštićena od prljavštine i kiše. Patentirani sistem omogućava jednostavno podešavanje nagiba tende. Čvrsta konstrukcija i kvalitetno akrilno platno garantuju trajnost tende.

RIMINI awning is a product designed for gardens, terraces, functional for both housing and catering. Semi-cassette awning with Shaft awning is well protected from dirt and rain. The patented system allows easy adjustment of the tilt of the awning. Solid construction and quality acrylic canvas guarantee the durability of the awning. A special fabric tensioning system enables effective operation of awnings on horizontal and inclined surfaces. RIVA works only through a motorized system.
